Hello, my name is Lauren Long, I am the Family Nurse Practitioner (FNP) at the Little Miami Health Center. I am excited to be serving the Little Miami community, I look forward to meeting you all.

Lauren Long, FNP-C: Began her career as a nurse and chose to return to school to become a Family Nurse Practitioner. She enjoys primary care because it allows her to build long-lasting relationships with patients and make a positive impact on their healthcare journey.

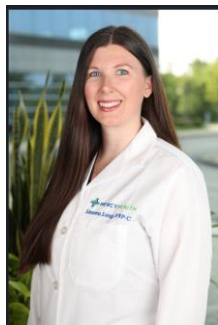

She is married to a Firefighter/Paramedic with two children, a 6-month-old girl and 2.5-year-old boy. Additionally, Lauren has two fur babies- both are golden retrievers. During her free time, Lauren enjoys spending time with her family and friends, reading, boating, hiking, and cycling.

Jessica Allen, MA: Loves healthcare and helping others. She has a beautiful family, husband Shaun, two kiddos- Kayla and Jacob, and one furry baby- Callie. They love to spend time together camping, playing games, and watching movies.

Little Miami Health Center is open year-round and offers a full range of services including primary care and acute care needs for the whole family.

Common services include:

- Acute illness
- Vaccinations
- Wellness examinations
- Sports physical
- Chronic illness management
- Schedule appointments: 513- 215-9277
