

Early Childhood Center Beginning/End of Day Map

Preschool: Please follow the purple line and park in the lot that is circled in purple on the front/side of the building. You will park and walk to the door indicated with a red dot to drop off and pick up your child. There will be a crossing guard at the crosswalk at Zone 3, that will be directing the car rider traffic and allow you to cross. Please wait for their direction to cross, and only cross at this crosswalk. Follow the red arrows to exit.

*There will be a few buses that will be unloading and loading in zone 3. They will follow the purple arrows and merge with traffic at zone 4. A staff member will be positioned there to assist with this.

Kindergarten/First Grade: Please follow the green line upon entering the lot. Students will be unloaded/loaded in the Safety Zone as indicated on the map in blue (which will be approximately 14 cars). Remain in your vehicle at all times. Wait for a signal from staff before you allow your child to exit the car from the passenger (right) side only. Please have your child ready to exit so our process is efficient. When exiting, please follow the red arrows.
